Alfred,

At my age I need to feel secure because it would not be fair if I didn't. I gave you 24 years of my life and two kids. As you know I won't even get a pension because I was forced to give up my career to take care of the family and so any future pension for me was not even thought of or considered.

- 1) Medical insurance for the children*
- 2) The childrens' education*
- 3) Shana's car*
- 4) The car I drive on my name*
- 5) A decent place in Gozo*
- 6) My monthly cheque by standing order*
- 7) A sum of money which will give me security.*

The sum of money is for 2 reasons.

- 1) If God forbids something were to happen to you, the monthly cheque would immediately stop and I cannot eat the property. I would be in a worse situation (if that's possible) than I am today which is completely at your mercy.*
- 2) If I want to take the kids on a nice holiday I cannot afford to do it with the monthly cheque .*
