

25th April 2018

Dear Hon. Prime Minister Dr Joseph Muscat

Dear Hon. Dr Owen Bonnici, Minister for Justice, Culture and Local Government

Dear Hon. Dr Deo Debattista, Parliamentary Secretary for Consumer Protection and Valletta 2018

We, artists, authors and arts managers write to you to express our concern that the legacy of Valletta 2018 as European Capital of Culture is seriously jeopardised by the actions of Mr. Jason Micallef, Chairman of the Valletta 2018 Foundation. His ongoing derogatory public comments about the assassination of Daphne Caruana Galizia do not reflect the European objectives and principles of the Capital of Culture initiative. As chairman of Valletta 2018 Foundation, Mr Micallef has been appointed by you to represent a European project, including ourselves, as laid out in European legislation. The role of a Chairman of a European Capital of Culture cannot be partisan in attitude and purposely divisive in action.

In addition, we would like to recall the number of instances that Mr. Micallef used his role as Chairman of the European Capital of Culture to publicly ridicule and attack artists who criticised and satirised those in power. His role as Chairman should be to safeguard this right, not to threaten it.

Using artists, culture and Valletta 2018 for political expedience is shocking and outrageous.

The irresponsible and embarrassing actions of Mr. Micallef are leaving irreparable damage to the reputation, programme and leadership of Valletta 2018. This is a legacy that the Maltese cultural sector does not need or want.

We, the undersigned reiterate the call for his immediate resignation.
