Attention: Commissioner of Police Lawrence Cutajar

The Malta Police Force. Police General Headquarters. Pjazza San Kalcidonju. Floriana

We refer to the case of the brutal killing of the kitten at Apple's Eye Restaurant in Golden Bay

The case happened on Sunday 12th August, ***more than two weeks ago***, and yet we have not heard of any progress in the investigation.

As you are aware, several people were present during the incident and witnesses are not lacking. We therefore ask:

- Are the Police investigating the case?
- If so, where have the investigation led to up to now?
- Is any action being taken against anyone?
- How many witnesses have made reports about this incident?
- Will the Police be issuing a call for help from those present at the restaurant to help them in their investigation?

We believe that justice needs to be served in a timely fashion and we would not like this incident to further propagate the feeling of impunity amongst people who do not care for animals.

We would therefore appreciate a reply on the above email address as soon as possible.

Thank you and regards
