

Jirreženja jew jitneħħa immedjatament

L-akkademiċi tal-Università ta' Malta qed isegwu dak li qed jiġri f'Malta b'rabta mal-assassinju ta' Daphne Caruana Galizia, korruzzjoni u ħasil ta' flus istituzzjonalizzati. L-akkademiċi jhossu li dawk afdati fl-ogħla strutturi tal-poter ittradew b'mod mill-aktar goff il-fiduċja taċ-ċittadini Maltin u tal-komunità internazzjonali. F'dan il-kuntest jeżiġu li Joseph Muscat għandu jirreženja jew jitneħħa immedjatament. Dan sabiex l-investigazzjonijiet ikunu jistgħu jimxu bla ebda xkiel mill-Uffiċċju tal-Prim Ministru.

Joseph Muscat must resign or be removed

As academics at the University of Malta we have followed developments in Malta tied to the assassination of Daphne Caruana Galizia, corruption and institutionalised money laundering. We feel that those entrusted with power have betrayed, in the most serious manner, the trust of Maltese citizens and the international community. In this context, Joseph Muscat must resign or be removed from office with immediate effect. This is necessary for the investigations to proceed without impediment from the Office of the Prime Minister.
